St. Charles, IL — Catch the spark of creativity from 300 seasoned experts including certified kitchen designers, creative contractors, landscape architects, pond purveyors, flooring specialists, custom cabinet makers, home automation gurus, skilled remodelers and countertop professionals at the upcoming Old House New House Home Show Saturday and Sunday at Pheasant Run Resort, located at 4051 E. Main Street in St. Charles.

Show hours are Saturday 10 a.m. to 6 p.m. and Sunday 10 a.m. to 5 p.m. Adult admission is \$7; seniors (over 62) and children (under 18) attend free. Parking is free. A portion of the ticket proceeds benefits The Habitat for Humanity of Northern Fox Valley.

This event provides tools to tackle home improvement projects with ease. Attendees can meet industry experts face-to-face and select the perfect professional to update, customize or create the home of their dreams. Discover deluxe displays and see the latest trends in dream kitchens and bathrooms, additions, basements, architecture, painting, patios, sunrooms, laundry rooms, custom closets, window treatments, roofing, waterproofing, windows, doors and more.

Back by popular demand, "Mr. Fix It" Lou Manfredini will share practical tips, expert enthusiasm and solid solutions with homeowners on Sunday at 1 p.m.

Designers from Normandy Builders will present "Secrets to a Great Kitchen" each day at noon. The Visiting Nurse Association of Fox Valley will also be on hand to host their popular flu shot clinic throughout the weekend.

With the stagnated real estate market, a special "Curb Appeal" workshop will be offered at 1 p.m. on Saturday by award-winning Country Construction to help homeowners enhance exterior features and attract potential buyers.

New this year, complimentary one-on-one design consultations will be offered by noted designer, Loren Reid Seaman. In addition, Editorial Staff from Country Sampler Magazine will be scouting for homes decorated in popular country styles, such as primitive, farmhouse, cottage, Americana, Colonial and French country styles to be photographed for inclusion in their publication.

Green innovations and sustainable improvements continue to be priorities for today's homeowners. Attendees can expand their green knowledge on home energy audits, geothermal heat, high-efficiency air conditioning, tankless water heaters, rainwater harvesting, pervious paving, low-VOC paints and bamboo flooring to reduce energy consumption and conserve resources.

Attendees can register to win the Grand Prize of a \$1,000 home show gift certificate to use with the exhibitor of their choice. Click [here](#) for more details.
